

MEMBERSHIP INVITATION

You are invited to become a member of *Fruit Winemakers (Tas) Inc.*

Since early colonial times Tasmania has had a long tradition of fruit wine making. With its splendid climate our island produces a wide range of luscious fruits ideal for wine making.

Fruit Winemakers (Tas) is a meeting place for people involved in all aspects of fruit, flower and vegetable wine making - from beginners just starting out on a fascinating hobby to commercial producers responsible for creating an ever increasing range of impressive wines and meads with a growing national and international reputation.

The Fruit Winemakers meet at various times according to their program available at their web site. At each meeting a talk or discussion covering some aspect of wine making is followed by a friendly and informative tasting of wines brought along by members. In January each year the Association conducts the Australian Fruit Wine Show.

Membership is only \$20.00 per year.
